Handwritten text at the top center, possibly a date or reference number.

30/12/00

Handwritten text on the left side, possibly a name or address.

Handwritten notes and scribbles are scattered across the page, particularly around the diagram. Some of the text is difficult to decipher due to its orientation and cursive style, but it appears to be related to the diagram or a technical description. There are also some faint lines and markings that might represent axes or coordinate systems.
